Consent of Buyer to Receive Notices and Announcements via Email

Fairway Oaks COA amended its Bylaws to allow Notice of Meetings (Board Meetings, Annual Meeting, Budget Meeting, Special Meetings, etc.) referred to in its Declaration & Bylaws or required by Florida law to be sent to members electronically. The Association requests you consent to receive these Notices electronically.

Your Consent also applies to Announcements delivered to advise you of work being done on the property by contactors (landscaping, tree trimming, building & roof repairs, painting, paving, etc.)—these will also be sent to the email address(es) you have designated. Fairway Oaks COA adopted electronic notice to its residents to both reduce the cost of printing and mailing notices, and to deliver notices to residents more quickly.

I/We consent to receive Notices and Announcements via the email addresses I/we have provided on the first page of this form, and to advise the management company of any changes in the email addresses at which we wish to receive Notices and Announcements.
