The City of Palmetto only supplies reclaim water on Mon./Wed./Sat. 7 AM - 10PM
Contact: Matt Bloome 941-723-4580
Website: <http://www.palmettofl.org/FAQ.asp> x?QID=141

The system may be cut back to once a week during the winter months.

The system will be checked monthly/quarterly, repairs and adjustments will be made at that time.

The system will be taken out of service during the rainy season.

During times when the reclaim water supply is low the city of Palmetto may shut off the service without notice.
