REALTOR'S INFORMATION LETTER

Date _____

Dear Realtor _____

We understand that you have listed a unit for sale in Garden Lakes. We wish you a speedy sale and will do our part to make the sale go smoothly and the transition for the new owners a pleasant experience.

We have reminded the present owner that the Garden Lakes documents for both the Garden Lakes Community Association (GLCA) and the Component Association are a part of the condominium unit. These documents **must** be available for the Buyer to review before the "Sales Agreement" is binding. A list of these documents and other items that the Seller must provide the Buyer is attached for your reference. We have suggested to the Seller that the time to locate these items is **NOW**.

Since we fall within Florida Statute 718 and are a **LAND Condominium**, not the more typical "AIRSPACE Condominium (except the Courtyard component) we have attached a page of common questions and answers you may want to review, as well as an **Application for Interview** for your use on behalf of the Buyer for scheduling a Welcome/Interview prior to closing.

Please remember that you will need to make an appointment for this Welcome/interview process as soon as possible after a Sales Agreement is signed. The session needs to take place BEFORE the closing, and, since it can involve several people, should be scheduled as early as possible. We will return the **Request for Interview** as soon as possible after an interview appointment is scheduled. Please note the other forms included in our Realtor's package which you and your Buyer **MUST** review and have prepared for the interview. Also note that there is a fee which is included with the request.

Please contact _____ at _____ for an appointment and the above forms. Be sure the **Request for Interview**, a copy of the Sales Agreement and the check as indicated is sent to the **Chairperson of the Interview Committee and/or the Component's property manager before the appointment**.

We hope the sale of this unit goes smoothly and the experience of becoming a Garden Lakes Seller and Buyer will be pleasant and the information provided will be helpful.
Sincerely,
